Sola Arctic Weight

(SOLAARCTICWEIGHT)From: \$59.99  
To: \$129.98

Price as configured:  
\$0.00

The form fitting style, typical of Sola gear has now been incorporated into the Arctic Weight base layer. The Arctic Weights deploy a premium high-pile fleece for superlative insulation, heat retention and wicking capacity in extreme cold, as well as light weight, non-binding mobility and S3 Silver anti-microbial odor inhibition.

- 100% Polyester High Pile Fleece for extra warmth
- 2.5" collar to keep the elements out
- Pullover style with zip front
- Flat seams for comfort
- 2.5 collar to keep the elements out
- Zippered pocket on left sleeve
- Thumbholes for easy layering
- System Layer 1
